**SpongeBob and Dora now in 3D with Patch's
Sneaky Floor Puzzle Line**

Patch Products introduces two new titles to their 3D Sneaky Floor Puzzle line featuring two of the most popular kids licenses!

BELOIT, Wis.— With Patch's 3D Sneaky Floor Puzzle® being such a huge success in its first year, Patch expands their 3D floor puzzle line to include favorite children's characters *SpongeBob SquarePants*™ and *Dora the Explorer*™!

Now kids can see SpongeBob and Dora in a whole new magical way! These 24-piece puzzles are full of surprises and perfect for the young puzzler. Put together the colorful Bikini Bottom scene or the outdoor scene with Dora and her friends. Then, slip on the included sturdy 3D glasses for an enchanting experience! Children will be astonished as they watch the enthusiastic SpongeBob and friends float towards them and the adorable Dora and Boots jump right before their very eyes.

But the magic doesn't stop there! Hidden within the Dora puzzle are all of the letters of the alphabet and numbers 0–9...pretty sneaky, huh? And within the SpongeBob puzzle, you'll be surprised to find hidden objects. Find them all with your child and help them recognize each item in the 2 x 1½ foot picture.

The *SpongeBob and Dora 3D Sneaky Floor Puzzles* are the perfect way to get a child's imagination moving while having fun and learning! The large, vibrant pieces are easy to handle and fit together nicely so children can feel like they're part of the scene in no time!

Other titles in the 3D Sneaky Puzzle line include: *Singin' Sea Creatures*™, *Midnight Safari*™ and *Lightning Bugs All Around*™. Ages 3 and up.
