

For 2 or More Players
Ages 3 & Up

Funny Bugs

MATCHING GAME

Contents: 54 Funnybugs Picture Cards

Rules

Set Up:

- Break apart the **Funnybugs** Cards.
- Without looking at the cards, lay them out on the table or floor, face down. They can be in neat rows, or in a random pattern.

Play:

- Decide who goes first and then take turns.
- On your turn, flip over any two Cards so everybody can see them.
- If the **Funnybugs** characters on the two Cards match, you may collect them, and then take another turn.
- If the **Funnybugs** characters don't match, turn the Cards back face down right where they are. Then it becomes the next player's turn.
- Continue to take turns looking for matches and collecting pairs of matching **Funnybugs** characters until all of the Cards have been picked up.

Winning:

If you have the most pairs of matching **Funnybugs** characters, you win!
