**Create your own zany adventure with Smethport's new
*Create-a-Scene Magnetic Amusement Park***

BELOIT, Wis.—Kids will have a blast as they scream down the Drop Zone, get soaked in Splash Falls, zoom through the Checker Speedway, race down the SuperSlide and much more in Patch Products' Smethport[™] brand *Create-a-Scene[™] Large Magnetic Amusement Park[™]*!

Kids will exercise their imaginations for hours with our USA-made *Create-a-Scene Large Magnetic Playsets*. Choose from 34 exciting themes, with the newest theme being the *Amusement Park*. The magnetic playing pieces slide easily on the play board so kids can create action to make their stories come alive. When not in use, the playing pieces can be stored on the 18" x 14" play board, which folds in half, making the playset a perfect activity for home, school or travel.

The play boards are sealed with a clear, resilient coating to make cleanup easier and the vinyl, magnetic playing pieces provide extra hold. The playset comes with 30 fun pieces such as a clown, an ice cream man, kids, bumper cars and stuffed animals.

Kids will love that they can have the thrill of an amusement park wherever they go, and parents will love that that their kids will be amused and entertained for under \$10!

The *Create-a-Scene Large Magnetic Playsets* are for ages 3 and up and are perfect for one child or for several children to play at once—adding to the storytelling.

Patch Products, headquartered in Beloit, Wis., is a leading manufacturer and marketer of family entertainment products.
