## Patch Expands Their Take 'N' Play Anywhere Line With Design 'N' Doodle

*Patch adds innovation to classic play with their new Take 'N' Play Anywhere Design 'N' Doodle that combines dry-erase and magnetic play in one activity.*

BELOIT, Wis.— Creative, on-the-go, fun! That's just what you'll get with *Design 'N' Doodle™*, Patch Products newest addition to its *Take 'N' Play Anywhere™* line.

Become a fashionista, speed into action, make your own animals, laugh with SpongeBob SquarePants™ or explore alongside Dora the Explorer™ with Patch's *Design 'N' Doodle*. These unique and portable creativity sets combine two of children's favorite activities in one—imaginative magnetic play and expressive drawing with dry-erase!

Children will have oodles of fun as they use their imaginations to create scenes with magnets. Then, to make the magnetic play even more engaging and exciting than ever before, kids can use the included dry-erase markers to design and personalize the additional scenes, practice writing the alphabet and numbers, or color the magnets!

Each set includes a colorful 2-sided 14" x 9" play surface that folds up and has a handle for travel. As an added play bonus, the magnetic play surface can also be set up as an easel, so kids can easily create their masterpieces!

*Design 'N' Doodle* allows for on-the-go fun anytime and anywhere. And, the best part is kids have the ability to play and create again and again! Once the kids dream up new ideas and scenes, simply wipe the play surface clean and start all over again. With *Design 'N' Doodle*, the possibilities are endless.
