Patch's new family game is stirring up the game market!

BELOIT, Wis.—Are you tired of crossword games where you have to sit and wait for players to take their turn? Do you want something more exciting? Word game fans get ready for *Stir 'em Up!*™, the new *Flipping and Switching Word Game*™.

This is no ordinary crossword game...it's unpredictable, simultaneous and fast-paced. Play begins by taking turns scooping out seven letters, but don't get attached—the die may force you to flip them or switch them. And once it's time for everyone to make their own crosswords, don't dawdle—you've got 30 seconds to use more letters than everyone else!

Stir 'em Up! is an exciting, fun, competitive game that adds a whole new dynamic to word games by using one die, double-sided tiles, a timer and simultaneous play, causing players to have to think on their feet and react quickly.

Stir 'em Up! is easy to learn, easy to play, educational and comes in a convenient bowl—providing perfect portability and a great game storage container. For 2 to 4 players ages 8 and up.
