

# FARKLE "DICTIONARY"

Farkle  
[fahrk-uhl]

## -noun

1. popular dice game using six dice and played by all of the coolest people: *I play Farkle 'til the cows come home!*

2. a roll in the game Farkle that does not produce any scoring dice: *I just got a Farkle!*

3. an aftermarket accessory (bling, perhaps?) installed on a motorcycle to make it more awesome: *Dude, your farkle on this was a great idea.*

4. a small, short, but noisy gaseous emission: *Did you hear your sister just let out a farkle?*

5. a person with pale skin, red hair and freckles: *That little boy is such an adorable farkle.*

6. an awkward silence after a conversation when people are trying to think of something new to say: *There is always a farkle when I talk to my neighbor.*

7. a freckle with hair growing out of it: *I gotta take care of this farkle!*

## -verb

1. to play the most awesome game ever: *Let's Farkle tonight!*

2. to roll the dice in the awesome game, but not roll anything that scores: *Oh man, I Farkled again!*

4. to laugh so hard, you let out a gaseous emission: *That joke was so funny, I just farkled!*

5. to make a claim on something: *I farkle the front seat!*
